**PART 2 – Other Considerations**

	Consideration	Details
1	Luggage	First two (2) pieces of Luggage are free and CI\$1.00 /US\$1.25 per additional piece of luggage may be added to the fare.
2	Different passengers with different stops	The fare is based on the total number of passengers and distance traveled to final destination at the start of the journey. Passengers may determine amongst themselves how this is paid, for example a passenger getting off early on in the journey may put in extra cash towards the final fare to be paid at the end.
3	Waiting time if passenger stops somewhere before final destination (Idle time)	First two (2) minutes are free after which a charge of CI\$0.80/US\$1.00 per minute may be added to the fare.
